

Immaculate Heart of Mary
2018 - 2019 School Term

PTA Responsibilities/School Service Hours

For both In-Parish and Out-of-Parish tuition rates, choose one of the following options.

Select one of the following as your schedules and/or needs permit:

- _____ **A.** I/We will complete 40 service hours during the school year, and our child/ren will participate in PTA fundraising events for which there is a designated dollar quota. **Service hours not completed before May 1 will be charged \$15/hour (instead of the usual \$10/hour). This penalty is to ensure that all hours are completed towards the beginning of the year.**
- _____ **B.** I/We choose to make a donation of \$400.00 in lieu of service hours, and our child/ren will participate in PTA fund-raising events for which there is a designated dollar quota.
- _____ **C.** I/We will complete 20 service hours + pay \$200.00, and our child/ren will participate in PTA fundraising events for which there is a designated dollar quota. **Service hours not completed before May 1 will be charged \$15/hour (instead of the usual \$10/hour). This penalty is to ensure that all hours are completed towards the beginning of the year.**

Definitions:

In-Parish Tuition Rate: registered, worshipping, contributing members of IHM Church.

School fundraising events are required of all students/families. Failure to participate will result in the designated dollar quota per student being added to the family tuition statement.

I/We have read the information on the previous page and indicated which PTA plan we are choosing.

I/We have also attached a check in the amount of \$125.00 for PTA dues for the term 2018 - 2019. The school has included the mandatory cost for the Christmas Dinner Dance tickets in the fee, so that there will not be the added financial burden in December.

Note: Service hours are important to the welfare of IHM. It is assumed that everyone who chose to do the service hours will complete them. A charge of \$15.00 will be assessed for each hour not served before May 1, and must be paid before registering children for the next school year and before receiving their report cards. In the case of students preparing for graduation, these fees must be paid before the student can graduate. This penalty is to ensure that parents are not waiting until the end of the school year to complete hours.
