2023-2024 PTA Responsibilities/School Service Hours

As of January 1, 2023, the minimum wage has gone up to \$15.50. To match the minimum wage law, our price per service hour is \$15/hour. Select one of the following as your schedules and/or needs permit:

_____ **A.** I/We will **complete 30 service** hours during the school year.*

_____ **B.** I/We choose to make a **donation of \$450.00 in lieu of service hours**, and our child/ren will participate in PTA fundraising events for which there is a designated dollar quota (i.e. Family Mass fellowship).

_____ **C.** I/We will **complete 15 service hours + pay \$225.00**, and our child/ren will participate in PTA fundraising events for which there is a designated dollar quota.

Those who select plan A are committed to completing at least half of their hours by January 1, 2024 or they will be automatically switched to Plan C.

Service hours are important to the welfare of IHM. It is assumed that everyone who chooses to do the service hours will complete them. A charge of \$20.00 will be assessed for each hour not served (instead of the usual \$15/hour) after May 26th, and must be paid before registering children for the next school year and before receiving their report cards. This penalty is to ensure that parents are not waiting until the end of the school year to complete hours.

In the case of students preparing for graduation, these fees must be paid before the student can graduate.

I/We have read the information above and indicated which PTA plan we are choosing.

I/We will also pay \$125.00 for PTA dues for the 2023-2024 school year. The school has included the mandatory cost for the Christmas Dinner Dance tickets in the fee, so that there will not be the added financial burden in December.
